To All Prospective Applicants:

Re: Request for Proposals No. 03-002

This is to advise you that the page numbering in the table of contents is off starting from (section 2 or page 10). When asking questions about or referencing sections of the Request for Proposals, you should use the page numbering as it is stated in the Request for Proposals rather than trying to correct the page numbering in the table of contents. Also note that in the table of contents section 7.III. Form AG2-GC(1/02) should be Form AG2-GC (1/01).

If you have any questions, please call me at (808) 587-5431.

Sincerely,

/s/
